- |  |   |
|--|---|

GLANCER MAGAZINE

*A Letter from a Friend*

Dear Little Traveler,

This visit to The Little Traveler turned into a lovely time for my husband and me. I was planning to buy a Blessing Bracelet (our daughter gave me one from The Little Traveler, one that I wore so often that I broke it). I've never found any local shop to carry such a special bracelet. I was unable to be sure that the color of the beads was exactly like the original. So many pretty colors, even 2 varieties of gold! I decided to wait and bring the beads back on a return visit. Not only did we come back the following Saturday, but my husband had sampled the Douglass Hill Cabernet Sauvignon on our earlier visit. Loved it—and cajoled the sales associate, who set aside 4 bottles for him (he bought 6). I bought the nicest Blessing Bracelet, too! We enjoyed lunch again in the Atrium Cafe. I guess you might say, "We were doubly blessed."
